EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephen Terrile (Reg. No. 32,946) on March 25, 2005.

The application has been amended as follows:

Claim 1, line 2, insert -- that executes all of the steps of the method -- after "computer system"

Please cancel claim 38.

2. Claims 1, 4, and 6-31 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The closest prior art of record is Lilly et al. (U.S. Patent No. 5,787,000) in view of Jenkins (US 2002/0188499). While Lilly and Jenkins disclose various aspects of scheduling materials for delivery and tracking inventory levels, Lilly and Jenkins do not disclose or suggest all of the details of how and when (i.e., under which conditions) the available quantity of materials and availability time are updated. In other words, claims 1, 4, 6-31 are deemed to be allowable over the prior art of record because the prior art

is not seen to disclose or suggest the combination of all of the limitations specifically recited in independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Hirase (JP02004127070A) -- Discloses an inventory management system for monitoring inventory quantities in real time.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susanna M. Diaz whose telephone number is (703) 305-1337. The examiner can normally be reached on Monday-Friday, 9 am - 5:30 pm.
